## The Only NYSED Licensed CFOT Training in NYC

QBTTI recently began providing Certified Fiber Optic Technician (CFOT) training and certification for our students. The 40 hour CFOT training course takes place on either weekends or weeknights, and offers hands-on experience with fiber optic connectorization and fiber optic splicing. Certification is provided by the [Fiber Optic Association](#). The FOA has certified over 34,000 CFOTs to date, and QBI is among only 250 FOA approved training organizations worldwide. In addition, we are the only NYSED licensed school in the five boroughs and Long Island. To find out more information and/or to register for the course please visit our [website](#).

**QBTTI Sponsors Blood Drive 11/11/11**

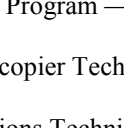

Donating blood is literally giving the gift of life. Each day, patients in our region need close to 2,000 people to roll up their sleeves and donate. There is simply no substitute for voluntarily donated blood. Without it, our community would not have an adequate supply. Our next blood drive is on 11/11/11, from 10:00am to 3:00pm at our school location. All are welcome. Walk-ins are welcome, but registration is preferred. Please call (718) 392-4156, or send an email to [Millie@qbitti.com](mailto:Millie@qbitti.com) on or before 11/4/2011 to donate.

## Placement Highlights

We would like to congratulate the following graduates who recently obtained training related jobs: Newly certified Electricians Anthony D. (20) and Evan H. (21) both are working as Electrician's Helpers in Queens. Young K. (34) is a Telecom Tech at various sites throughout New York for his new employer. Plumbers' Helper graduates Danny A. (25) and Angel R. (35) are both putting their skills to work on Long Island and in the Bronx respectively. Rudy R. (24), from the Building Maintenance program, is employed as a Janitor with a school in Brooklyn which has 4 established campuses. Hector T. (53) is working for a maintenance firm based in Jamaica, Queens. Marcelino A. (58) is working as a Handyman for a property management firm in Queens with 18 properties across the borough, so he is putting his skills to good use. Marcelino has also promised to make another one of his famous homemade lasagnas for QBTTI staff to celebrate. Our box of plastic forks is waiting.
