BREAKING NEWS! New Instructors added to QBITTI Staff

By Neil Cuomo

It is my pleasure to announce the addition of two new members to our staff. Zacharias Morales has joined our instructional staff and is going to be our new day-time Telecommunications Instructor. Mr. Morales has over 25 years of experience in the Telecommunications Field, and had worked with Verizon and AT&T as both an Installer and Field Service Technician in the past.

I am also pleased to announce the hiring of Benjamin Santiago, who will soon be our new day-time Electronic/Office Machine Repair Instructor. Mr. Santiago has a plethora of experience working with Canon, Konica-Minolta, and Kyocera machines among many others. His many certifications include the A+ certification from Comp/TIA, and fiber optics splicing from Bicsi. Mr. Santiago is also a former graduate of QBITTI, class of 2001, and has decided to join us and "pay-it forward" for our future technician graduates.

Please join us in welcoming these two new members to our QBITTI staff. For more information, or progress reports on the retro-fit, check with our website at www.QBITTI.com.

Placement Highlights

By Bill Higgins

We recently welcomed two graduates from our *Office Machine Repair* program, who are now co-owners of a copier & printer repair company, to tour our newly renovated training space and see all of the changes. They were impressed, and vowed to hire graduates from QBI in the future. We would like to congratulate the following graduates who recently obtained training related jobs: Telecom Tech graduates Devante B. (21) and Pablo P. (49) are working as Telecom Installers in LIC and Manhattan. Electrician's Helper graduate Rashikh M. (21) is employed as an Electrical Apprentice in Woodside. Building Maintenance graduate Thomas W. (28) is working as a Handyman in Brooklyn. Plumber's Helper graduates Shawn M. (39) is employed as a Plumber's Helper on Staten Island, and Paul K., who has just been accepted into the Suffolk, Long Island Chapter of the Plumbers Union, Local 1.

2012 St. Jude Children's Research Hospital Charity Softball Game

QBITTI once again sponsored its annual charity softball game for the benefit of St. Jude Children's Research Hospital. The game was held at Queensbridge Park in Long Island City, NY. This year the Plumber's Helper Team won by a score of 12-4, and most importantly, we were able to raise over \$400 dollars for St. Jude. A good time was had by all, with food and drinks served before the game. *(QBITTI makes a cash donation based on the number of participants at the event.)*

QBITTI Sponsors Blood Drive 12/19/12
